

Attention World Gym Members,

We want to thank you, our World Gym family, for all the continued support over the last 18 months. It has been unpredictable with lots of ups and downs. Without your support, we wouldn't be where we are today!

The City of Calgary approved a bylaw that requires all fitness facilities to implement the Restriction Exemption Program effective immediately.

World Gym Plus 15 & Southland In-Club Procedures:
Effective Monday, September 27, 2021:

Capacity: no limit

Time limit: no limit

Classes: running as per schedule posted online

Masks: required while entering and exiting the facility, but not required during your workout

All members and guests will be asked to present a piece of Government Issued Photo ID and one of the following before their first visit:

Option 1: Proof of vaccination (paper or digital proof is accepted)

Option 2: Proof of privately paid negative COVID-19 test taken within 72 hours prior to entering facility (PCR or rapid antigen test; tests will not be provided by World Gym)

Option 3: Documentation of medical exemption (paper or digital is accepted)

Until October 25th, one dose of an approved vaccine will be accepted, as long as the dose was administered more than 2 weeks before time of service. Proof of vaccination for members will only need to be provided one-time to the front desk, unless you are only providing proof of partial vaccination. If providing proof of partial vaccination, proof of full vaccination will be required as of October 25th to ensure your account is updated properly (World Gym will not be taking copies of your vaccination/exemption records). If providing proof of a negative PCR/antigen test, new proof will need to be provided if your test was taken more than 72 hours prior to your visit.

Continued....

I'm not vaccinated and cannot use the facility under these restrictions:

Please call or e-mail your home club to review your options.

If you have any further questions we did not answer above, please contact your home club!
